6, 7 y 8 de noviembre 2019 • Sevilla

Dr. Alberto Gobbi, D.V.M.

Alberto Gobbi graduated in Veterinary Medicine (Summa cum Laude) in 1992 and specialized in Laboratory Animal Science and Medicine (Summa cum Laude) in 2002 at the University of Milan, Italy. In 2010, he received the TurnKey Facility Leader of the Year Award. Since 1999, Alberto Gobbi is Chief of the Mouse Genetics Facility of Cogentech in Milan, Italy, where he manages two mouse facilities. Since 2011, he has been promoting the application of Lean management in animal care programs, significantly improving the efficiency of operations of the Cogentech animal facilities.

Alberto is author or co-author of 33 papers published on international peer-reviewed journals, mainly focused on mouse models of human tumors and infectious diseases, and on the characterization of spontaneous diseases of laboratory mice.

Alberto regularly presents talks to scientific meetings and contributes to courses on laboratory animal science.
